The Reporting Persons are not obligated to take or refrain from taking any action with respect to any plans or proposals that the Reporting Persons may evaluate, discuss or determine to pursue. Accordingly, the Reporting Persons reserve the right to revise their plans or intentions at any time and to take any and all action that they may deem appropriate to maximize the value of their investment in the Issuer in light of their general investment policies, market conditions, subsequent developments regarding or affecting the Issuer and the general business and future prospects of the Issuer.
